CLICK & COLLECT

We are offering a new CLICK & COLLECT option for 2020. To adhere to social distancing guidelines you will receive a text message when your package is ready for collection. The package can be collected from our designated pick up point at the rear of our store.

If it is not possible to use our online facility please note that the following changes will be effective at our **Ballyogan store** from June 8th 2020:

1. **Social Distancing** – in line with government guidance this will result in
   - a limit of **3 customers** in store at any one time
   - The operation of a strict queuing system - this will result in **increased wait times** so we ask for your patience.
2. **Meet and Greet** - Customers will be greeted on arrival by a dedicated member of our team who will ensure that you get everything you need.
   All customers will be required to sanitise their hands. Use of a mask is recommended.
3. **Returns & Exchanges** will now be processed at a separate area in store (not at the main sales counter) – this area is accessed through the left hand side door at the front of our store. This area will be clearly marked on arrival.
4. **Opening Hours** – As a result of the current business environment opening hours may change in line with government guidance.
   Please check our web site for up to date opening hours.

As a result of the COVID-19 pandemic all manufacturing has been stopped over the past 8-10 weeks. As a result some stock deliveries have been delayed, so we ask for your patience but please be assured we will have what you need before school reopens.
