### Criteria for Admission

While we respect and relate to the religious diversity within modern Ireland, Our Lady's Grove Secondary School is a Catholic school within the Christian tradition. In offering places, priority is given to those students from within that tradition, so in the event of being oversubscribed, preference will be given to applicants of the Catholic denomination. Consideration will also be given to the facilities and resources available in the school.

In deciding on the acceptance of students, applications will be accepted from girls only.

Priority will be given to students in the following order:

- (1) Sisters of present students
- (2) Students progressing from Our Lady's Grove Primary School \*
- (3) Catholic students who live in the catchment area defined as postal codes 14, 6, 4, 16, 18, Co Dublin (Stillorgan, Blackrock, Mount Merrion)
- (4) Students of other Faiths or None who live in the catchment area

\*This will not automatically apply to applicants who join Our Lady's Grove Primary School in 5th or 6th class

A written acknowledgement of the receipt of this Application Form will be sent from the school to the address provided on the form. This receipt will issue within 15 working days.

It is the responsibility of the parent/guardian to notify the school if no receipt is received.
